Revised Estimate for the Construction of Subsidiary Buildings for the Krishnarajendra Hospital

Demi-official letter No.58 dated the 22nd July 1919, from the Private Secretary to His Highness the Maharaja of Mysore to the Dewan of Mysore.

...

In returning the accompanying file No.83 dated the 12th July 1919, I am directed to draw your attention to the urgent need for the construction of two or three paying wards at the New Hospital for the benefit of European and Indian patients who do not want to go into the ordinary wards. Such wards exist in the Victoria Hospital and His Highness would like them provided at Mysore at an early date.

~~GENERAL AND REVENUE~~
~~SECRETARIAT~~.

(*~~Continuation sheet draft form.~~*)

D.O. no. 161 dt. 7.8.20
enc. 1 file

My dear Sir,

With reference to your D.O letter No. 58 dated the 22nd July 19, ~~suggesting the desirability of reopening the Construction~~ constructing ~~of~~ two or three Lying Wards at the Kasturba Hospital ~~at~~ Mysore for the benefit of European & Indian patients, I am to state that the Senior Surgeon in Consultation with the Chief Engineer forwarded plans & estimates at a cost of Rs 17,630/- for the work in question and that the Chief Engineer ~~informs~~ intimates that no funds can be found for this work from the current year's P. W. budget grant nor of the next year.

I am to add that the work will be taken up, as soon as funds permit.

Yours &c

Who do not want to go in to the Ordinary Wards, I write to inform you that plans & estimates in connection with the work were called for, but the Chief Engineer intimates that no funds could be found for the ~~work~~ work either ~~from~~ in the budget of this year or ~~from~~ in that of the next year.

The connected file of papers is sent enclosed for perusal.

Yours sincerely,
16.8
Dewan.

My dear Sir,

I am directed to return the file received with your D.O. letter No.161 dated the 17th Instant regarding the desirability of constructing two or three Paying Wards at the Krishnarajendra Hospital, Mysore, and to enquire whether means cannot be found for providing at least one ward of the kind referred to. Such a ward would be a great boon not only to Europeans living in out of the way parts but also to Indians who live in European fashion and the cost of its up keep would be repaid by the fees charged.

Yours sincerely,

R. Rangachari

[redacted] I fear funds cannot be found [redacted] as the Provincial grant for 1921-22 [redacted] has provision only for completing incomplete works & other works of a very urgent nature. I do not think an additional grant is practicable either in view of the existing financial stringency.

There is one observation that I should like to make with reference to the scheme of having separate blocks for anti-pakeiti-particularly when they are located at some distance from the main Hospital building. It will, I think, mean an addition to the existing staff, which in itself will spell additional expenditure. This is a point which only the Senior Surgeon's opinion is necessary.

GEN & REV.

25 JUL 1921

When I visited the Krishnarajendra Hospital last week I found that, although the accommodation available was intended for only 120 patients, yet about 20 to 39 more had been admitted by putting extra beds. It is not possible to refuse admission to patients, particularly serious cases, coming for treatment. The provision of extra accommodation to relieve the present congestion is a matter of urgent necessity. The construction of the proposed Out-Patients' Dispensary, which is expected to secure the above object is therefore a work of "a very urgent nature", deserving of a place in the current year's P.W.D. programme.

No extra medical staff will be required for the Out-patients' dispensary, since the medical officers and subordinates now working in the O.P. Department will work in the new dispensary, which is not very far from the main building. A few extra ward attendants may be required for the wards to be opened in the space set free by the removal of the O.P. Department to the new building when completed. This will be considered when the work is finished. The extra cost will not be much and the proposal need not be deferred on this account.

To

The Chief Secretary to the Government of
H. H. the Maharaja of Mysore,
Bangalore.

Sir,

With reference to your D. O. letter No.G.2812, dated 4th August 1929, I have the honor to submit, for sanction of Government in the administrative department, the plans and estimates for the construction of Special Wards for the Krishna rajendra Hospital, Mysore, at a cost of Rs.1,71,630, and to state that at a joint inspection of the site, the Chief Engineer and myself came to the opinion that the addition of a block of buildings in the rear of the present hospital, completing the quadrangle, would not only give accommodation for the Special Wards but also for certain other purposes, such as Steward's Office and Stores, Linen room, a ward for [illegible] delirious patients. The plans and estimate have been countersigned by me in token of my approval. I request that provision may kindly be ordered to be made for this work and the construction to be taken in hand early.

I have the honor to be,
Sir,
Your most obedient servant,

T. V. Arumugum

Senior Surgeon.

Enc to Med 41-43 21.

Letter No.B.13103, dated 12th June 1920, from the Chief Engineer of Mysore, to the Senior Surgeon.

"With reference to ~~xxxx~~ correspondence ending with your D.O. No.G.C.258 of 19-20, dated the 14th April 1920, regarding the plans and estimates for special wards for the Krishnarejendra Hospital at Mysore, I have the honor to forward herewith the pland and estimates with report as noted below.

2. The proposals are made in accordance with our decision during our joint inspection on the 19th of August 1919 and I request that administrative sanction of Government may be obtained in your department and communicated to me, when the estimate will be ~~xxxxxxx~~ submitted for technical samction in this department.

3. I may add that no provision is made for this work in the draft P. W. Budget for 1920-21 nor is any provision likely to be made as the grants given are barely sufficient to keep going the works already commenced and that unless special additional grants are given it is not possible to start this work next year.

From

Dr. H.B.Mylvaganam, F.R.C.S.(ENG)

Ag. Senior Surgeon with the Government of

H. H. the Maharaja of Mysore, Bangalore.

To

The Chief Secretary to the Government of

H. H. the Maharaja of Mysore,

Bangalore.

Sir,

Referring to your D.O.No.G.6605/Medl. dated, 22nd September 1920, and in continuation of my D.O.No.258-11, dated, 13th October 1920, regarding the construction of a Single Special-ward in the Krishnarajendra Hospital, Mysore, I have the honour to forward the accompanying plan and estimate received from the Chief Engineer of Mysore, and to state that his proposal is to build only the ground floor of half of the 4th block as originally designed, at a cost of Rs.45,122/-. The whole block, when completed, will cost Rs.1,71,630/-. The extension now proposed by the Chief Engineer, will only accommodate 2 paying patients.

2. At present, the accommodation at the Krishnarajendra Hospital is not at all adequate to meet its growing demand. Many patients, who should find treatment here, are shunted to the Epidemic Disease Hospital for want of beds. This state of affairs cannot be allowed to continue any longer, as the latter Hospital is mainly intended for infectious diseases and for incurable cases. The proposed cost of Rs.45,122/- is, in my opinion, far too much to be thrown

thrown away for the benefit of 2 paying patients, considering the present financial crisis. The erection of the proposed building will also necessitate the demolition of one of the old wards which is now being used for 12 patients thereby reducing the available beds by 12. This will still further increase the administrative difficulties experienced at present.

3. I propose that a new out-patient department away from the main building and facing the square on the right and on the same plan as that of the new out-patient department under construction in the Victoria Hospital, Bangalore, be built at Krishnarajendra Hospital, Mysore.

4. This proposal may cost a little more than what is required for the proposed special-ward, but the advantages derived will more than commensurate for the difference in cost, as the ground floor of the Hospital which is being used for the out-patients, at present, will become available for wards. On going over the matter carefully, I find that we shall be able to provide accommodation for 32 Pauper patients and 8 Paying-patients, while retaining the old-ward without being demolished. This will greatly add to the comfort of the In-patients and facilitate administration of the Hospital.

5. The accommodation available at present is sufficient only for 127 patients within the new block and in the old sheds. So, if my proposal is carried out, there will be an addition of 40 beds at a cost of Rs.51,735/- the amount sanctioned for the out-patient block at the Victoria Hospital, or, about Rs.6,600/- more than the present estimate for a Single Special-ward.

6. The original design to build the 4th block, may stay over for the present, as the present buildings cannot be used for the Steward's Office etc., without inconvenience, until funds become available.

7. To my mind this is the only practical way by which we can get over the present difficulty.

I have the honour to be,

Sir,

Your most obedient servant,

H.B. Mayhoffman

Ag. Senior Surgeon.

Sir,

With reference to your letter No. the forwarded Constance dtd

G.C 258-13 dated the 4th inst, I

am directed to state that it is not possible to

retain the old building in which

the Steward's office is located

without spoiling the beauty and

the architectural effect of the

main building. I am therefore to request you to

No. G.C. 258-15
Encls. Plan & estimate

Office of the Senior Surgeon, Mysore Govt.,

Dated, Bangalore, 5th January 1921.

1-1435-7

Med 45-21-7

From

Dr. H. B. Mylvaganam, F.R.C.S.(EEG)., ~~Rajakarya Praveena~~ Rao Bahadur T. V. Arumugam Mudaliar, Esq., M.B.C.M.,
~~xxxx

postponed for a year or two till funds become available. The money which is proposed to be now spent (Rs.45,000/-) in building a portion of the rear-block may be spent on the out-patients' dispensary to be built without interfering with the plan of the main Hospital. This will obviate the immediate demolition of the old-ward and reduction of ward accommodation. As soon as the Out-patients's Dispensary gets ready, the out-patients' department can be shifted thereto, and the space thereby set free in the present main building will not only provide room for use as a special ward for eight paying patients, but also extra space for about 30 general patients.

4. The idea of a separate out-patients' dispensary is only in accordance with what has been sanctioned by Government in the cases of the Victoria and the Minto Ophthalmic Hospitals in Bangalore, and I therefore once more submit the question for favourable consideration. It is also not impossible that public spirited gentlemen may be found among the local citizens, who may come forward with a handsome contribution towards the construction of the proposed dispensary building, to have it named after them provided the idea is taken up by the President, or Members of the Mysore City Municipal Counil. The proposal to have an Out-patients' Dispensary may, however, be sanctioned and ordered to be worked out as early as possible, for reasons explained above. The plan and estimate are retransmitted.

I have the honour to be,

Sir,

Your most obedient servant,

H. B. Mysorejnan

The Secretary to the Government of Mysore,

Revenue Department,

BANGALORE.

Sir,

With reference to your letter No.G.13864-Med. of the 17th January 1921, I have the honour to forward herewith, duly countersigned, the plans of an Out-patient dispensary and cottage wards prepared by the Architectural Engineer, under personal instructions from the Huzur Secretary, and to request the favour of early sanction to the plans and estimates amounting to Rs.65,600/- and 14,400/- respectively (Grs.Rs.80,000/-in all) in the administrative Department, with instructions to the Public Works Department to put the work in hand and complete it as early as possible.

I have the honourto be,

Sir,

Your most obedient servant,

Personal Assistant
For Offg.Senior Surgeon.

SSR-BVA.

Report to accompany the Estimate for constructing an Out Patient Dispensary and two Cottage Wards for the Krishnarajendra Hospital at Mysore.

19. FEB. 1921

-----:0o0:-----

R e f e r e n c e:

Personal instructions of the Huzur Secretary to His Highness the Maharaja of Mysore.

A project amounting to Rs. ~~17,3000~~/- 1,72,000/- for the Extensions to the Krishnárajendra Hospital to the west of Existing Structure- thus completing the quadrangle was submitted with this Office No.- 6I dated 27th September I9I9 for sanction, but the same was ordered to be reduced to ¼ of the above amount and also to use the present- administrative block in the Existing building as Wards. Therefore - it is now proposed to construct one seperate large block of build- ing for Out Patients containing Waiting, Prescribing, Operation --- Throat & Eye examination Rooms with W. C in suitable places for --- both the sex and a seperate room for Gosha Ladies including Verandahs in front and rear, and two cottage Wards suitable for European and -- Indian Paying Patients close to the Main Hospital as per detail plans.

The present Estimate herewith submitted provides for all the necessary items which is required to complete the building in all respects with constructional and architectural details similar to --- those of Existing Structure and as per the following details.

Concrete for foundation stone in chunnam for Basement Brick Masonary for superstructure and plastered over, Pukke terrace roofing with flush ceiling supported on Steel Joists and Girders - and paving the Verandahs with Cudappah slabs, and all the rooms with Marsellies tiles. All doors windows will be of good sound teak with - double panel shutters and inside glazed shutters for windows with --- necessary fittings. Also all other necessary provisions such as Parapets Cornic Painting, Rain water down pipes &c, have been provided for.

Lump-sum Provisions for Sanitary fittings, Water supply

19/2/21

P.T.O

and Electric connections have also been made to suit, but detail estimates for these items will be got from the Departments concerned and any excess amounts for these may have to be sanctioned seperately later on when the prices go down to reasonable figures.

The rates provided for in this Estimate are as per Schedule submitted with my Office No. I4I dated I9-7-I9I9.

Total amount of Estimate including Contingencies and Petty supervision charges and all other ~~local~~ L.S. provisions for constructing - one Out Patient Dispensary (Rs.65,6000-) and two cottage Wards (~~Rs~~. Rs.I4,400/-) comes to Rs. 80,000/-.
